Julie Sands Causey ’85  
Colby Brick Award

Julie, as a sponsor of Colby student interns, as donor of the Julie Sands Causey ’85 and Christopher Causey Endowed Financial Aid Fund, as a participant in campaign events, as a member of the Class of 1985 Gift Committee, as a Colby overseer and a trustee for five years each, your increasingly intensive service to the College is as valued as it is varied. Your membership on nine different Board of Trustees committees shows the range of talents you share with Colby, and the long list of volunteer roles you have assumed and events you have attended shows your extraordinary commitment. For your steady and deep support, Colby is proud to bestow on you, Julie, a 2015 Colby Brick Award.
